FSW-2019 The 12th Year Anniversary Workshop on Spacecraft Flight Software

Attendee Guide

December 9-12, 2019
Hosted by
The Johns Hopkins University Applied Physics Laboratory in conjunction with NASA Goddard Space Flight Center, NASA Jet Propulsion Laboratory, The Aerospace Corporation, and Southwest Research Institute
In cooperation with
NASA Marshall Space Flight Center

Thanks to our sponsors

Twitter: @FSWWorkshop

Organizing Committee

General Chair
Scott Akridge, NASA Marshall Space Flight Center

Networking Chair
Chris Monaco, The Johns Hopkins University Applied Physics Laboratory

Finance Chair
Chris Monaco, The Johns Hopkins University Applied Physics Laboratory

Communications Chair
Stefanie Justice, NASA Marshall Space Flight Center

Technical Chair
Brandon Steele, NASA Marshall Space Flight Center

Event Coordinator Chair
Lien Moore, NASA Marshall Space Flight Center

Venue Information

The Flight Software Workshop is held at the Stone Event Center at Campus No. 805 at 2620 Clinton Ave W, Huntsville, AL 35805

Map of Campus 805 is [here](#).

Agenda

Agenda for each day will be posted at http://flightsoftware.org The agenda posted includes registration times, technical session schedule and evening events, which are also described below.

Monday December 9 Dinner:

6p-7:30p Dinner @ Yellowhammer Brewing. It's located on Campus 805 at 2600 Clinton Ave W, Huntsville, AL 35805.

Tuesday December 10 Dinner:

Marshall Space Flight Center Tour -
The tour departs at 2:40p from the Redstone Arsenal Visitors Center parking lot.

Wednesday December 11 Dinner:

This event is open to all FSW Workshop attendees.

The FSW-2019 dinner will take place on Wednesday, December 11th, 2019 at Campus 805 (same venue at the FSW Workshop) but will be located in the Cafeteria. The address is 2620 Clinton Ave W, Huntsville, AL 35805. Dress code is business casual.

No Evening Events Planned On Thursday December 12

Wifi

Wifi will be available - details will be provided at the event

Lunch Options:

Here is a map of Campus 805 which includes restaurants

Nearby restaurants/services

Variety of restaurants and shops are located near workshop venue. Please see the map under "Lunch Options".

For restaurants/bars close to downtown please go to this link:

For nearby attractions, restaurants, and things to do please see:
https://www.huntsville.org/things-to-do/attractions/

Foreign Nationals and US Citizen Representing Foreign Entities

This workshop is open to all nationalities. Government issued IDs will be checked during the check-in process and everyone will have a designator on there name tags identifying if they are a foreign national or US Citizen.

As a general reminder, please do not disclose any restricted information, Sensitive but Unclassified (SBU), Confidential, or any other controlled information or documentation with anyone who is marked as a foreign national or does not have a need-to-know basis. Also, make sure to not leave documents or computers unsecured if they contain sensitive materials. Those who do disclose this information to foreign entities are in violation of export control laws and regulations. Awareness is key.

Workshop Policies

The 2019 Workshop on Spacecraft Flight Software has several policies designed to make the event more enjoyable and productive for participants. Please read and follow these policies, and help us make FSW-2019 amazing! To report any violations of these policies or any other concerns, here's how to contact us:

In person: anyone who has been introduced as FSW-2019 staff
E-mail: spacefsw@gmail.com

Presenters Release and Consent to Recording and Archiving

During the registration process, all presenters received the FSW19-CONSENT-FORM Electronic Release forms. The sole purpose of these forms is to equitably protect future interests of each party i.e. presenter, Flight Software Workshop, and JHUAPL. Most presenters have signed and uploaded these forms. If you have not signed these forms yet, it should be signed at the registration desk at check-in to the event.

Social Media

We encourage you to share your experiences during the workshop on social media using the hashtag **#FSW19**. Except for speakers giving their presentations, please do not attribute comments to specific persons without their express permission.

Photography/Video/Audio Recording

Do not photograph, video, or audio record anyone at the 2019 Workshop on Spacecraft Flight Software without their express permission, sought in advance.

Anti-Harassment

The 2019 Workshop on Spacecraft Flight Software is dedicated to providing a harassment-free experience for everyone at our events. We do not tolerate harassment of conference participants in any form. Sexual language and imagery is not appropriate for any event venue, including talks. Conference participants violating these rules may be sanctioned or expelled from the event without a refund at the discretion of the organizers or staff.

Harassment includes offensive verbal comments related to gender, sexual orientation, disability, physical appearance, body size, race, religion, or other protected class status, sexual images in public spaces, deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of talks or other events, inappropriate physical contact, and unwelcome sexual attention. Participants asked to stop any harassing behavior are expected to comply immediately.

If a participant engages in harassing behavior, the organizers or staff may take any action they deem appropriate, including warning the offender or expulsion from the conference with no refund. If you are being harassed, notice that someone else is being harassed, or have any other concerns, please contact a member of conference staff immediately.

Conference staff will be happy to help participants contact venue security or local law enforcement, provide escorts, or otherwise assist those experiencing harassment to feel safe for the duration of the conference. We value your attendance.

We expect participants to follow these rules at all event venues and any related social events.

Raffle Giveaways

We'll be small door prizes each day of the workshop, Monday through Thursday. To enter each day's giveaway, please take a raffle ticket when you check in with the Welcome desk. Please keep this ticket throughout the workshop with you. At the end of each day, a random drawing will take place to determine the winner. Entrants must be present at the drawing to win.

Save the Date: Flight Software Workshop February FSW-2021

Next year's workshop is being shifted a few months to spill over into 2021. So the next Flight Software Workshop will be February 2021 the week of February 8th 2021 at John Hopkins University Applied Physics Lab, Laurel, MD.

We have a unique opportunity to co-locate the Flight Software Workshop with the IEEE Space Computing Conference (SCC) and will be an excellent opportunity to interact with flight hardware and flight software engineers from around the world.
